LOCAL HAPPENINGS.

Oilcloth and linoleum at Baggs's.

Tom Smith, mayor of Huachuca Sid-ing, is in the city.

Cochise Chapter, R. A. M., holds an important special meeting to-night.

The rich strike in the Mammoth mine, reported in last week's EPITAPH, continues to enlarge in importance, and it is believed to be a veritable bonanza.

The trustees of the Tombstone library this week ordered forty-five of the latest publications as an addition to their already well selected library.

In sinking the new shaft in the Omega, at a depth of five feet below the first level, a body of high grade ore has been encountered identical with that struck in the mine.

Don't send away for carpets until you have examined S. C. Baggs's stock.

Seamans have one of the best selected stocks of watches, jewelry, &c., ever displayed in this city. Before purchasing elsewhere, call and examine goods and learn prices.

Mr. and Mrs. B. A. Fickas have the sympathy of their many friends in this city in their bereavement. Their youngest child died in Phenix last week, and the two eldest are seriously ill.

Welton velvet, body Brussels, tapestry Brussels, Kidderminster, 3 ply, 2 ply cotton chain and hemp, all late patterns, at Baggs's.

On Wednesday last, M. M. O'Gorman left for San Francisco, from which place it is understood he goes to Alaska to examine some mining property for Governor Perkins.

Capt. A. M. Converse, who died in Phenix last week, was a member of Burnside Post, G. A. R., of this city. He was a gallant soldier during the war, and an upright honorable citizen in time of peace.

Woven wire mattresses all sizes, \$6, at Baggs's.

The editor of the EPITAPH has a three-year-old colt which some people think can outrun any pony in the country for 250 or 300 yards, and is willing to back their judgment.

Seamans' jewelry store has just received an elegant stock of Holiday Goods. Call and make your selections early in order to get the benefit of the large assortment.

On Wednesday evening last, Arizona Lodge No. 4, K. of P., gave a very pleasant dancing social to their many friends at Schieffelin hall. The committee having the affair in charge, Knights Koehn, Anderson, Walker, Kelson and McPherson, are deserving of much credit for the success of the occasion.

Tombstone is only a mining camp, and yet the premium squash at the Territorial fair was raised here. Now people are beginning to lay vegetables on the EPITAPH table, after the manner of the granger journals. This week Mr. S. L. Hart brought in a sugar beet weighing over thirteen pounds that was raised by Mr. Howell on the San Bernardino ranch, in this county.

Arnold's wood yard and express wagon! Look out for the blue wagon. Leave orders at Fitts Bros. or at the Willows cigar store.

OFFICIAL PROCEEDINGS.

TOMBSTONE, Nov 19, 1887.

Board met pursuant to adjournment at 10 o'clock a. m.

Present—D. Cohn, Chairman, and Supervisors Frank L. Moore and T. J. White.

By unanimous vote of the Board it was ordered that a warrant for \$25 be drawn in favor of Ben James for the benefit of Mrs. Manck, an indigent person.

By unanimous vote the Board allowed the claim of D. Johnson for \$30, for boarding prisoners at Wilcox.

It appearing to the Board that certain property was assessed in Tombstone District to John Montgomery and deeded by tax deed to the Territory, and it further appearing that there was a mortgage upon said property, and that the taxes were paid on said mortgage, it is therefore ordered by unanimous vote, that the just and true amount of the taxes and penalties on the said property be and is \$261.21.

By unanimous vote the Board adjourned to meet at 10 o'clock a. m., Dec. 1, 1887.

Approved: D. COHN, Chairman.
Attest: WM. D. MONMONTIER, Clerk.

According to the report of the Herald, Pat Hamilton has been paid for his service as Secretary of the Immigration Union, the sum of \$525; and out of the total expenditure of nearly \$3,000, the press of Phenix received the magnificent sum of \$7. Surely they should feel gratified at the grand work accomplished by the union. The local press has done, and is still doing more for Phenix and its interests in one week than all the silly pamphlets and folders would accomplish during the next two centuries.—Gazette.

Word comes up from the Vekol of a wonderful strike that was made a few days ago. The report says that a chamber of ore was encountered in which one man knocked down over fifty tons of ore in a single day that will mill over \$6000 per ton. The Vekol ore is always easily mined, and there is nothing remarkable in the amount knocked down, but the quantity of such phenomenally rich ore is what astonishes even those who have always banked on that wonderful property.—Florence Enterprise.

Mr. John Wasson, formerly Surveyor General of this Territory, has commenced the publication of the Chino Valley Champion in the interest of the great ranch bearing that name, owned by Mr. Richard Gird. Typographically the paper is handsome, and it is needless to say to those who know Mr. Wasson, ably edited.

Mr. W. I. Perry was married at Fort Lowell on the 15th inst. to Miss Sadie Magee, cousin of Mrs. Capt. Mason, of the Army. Mr. Perry was formerly employed in Dunbar's livery stable in this city, and is an honorable and energetic young man. He is at present one of the proprietors of the San Xavier hotel in Tucson.

The New Orleans Picayune professes to believe that the increase of murders, highway robberies and other violent crimes in Texas of late is due to the law prohibiting the carrying of pistols. It says this foolish law only disarms orderly and law abiding people, while the robbers, the roughs and the rascals generally take advantage of the defenseless condition of the rest of the community.

Mrs. H. G. Howe and Mrs. H. J. Peto were in Kansas City yesterday, on their way home. Mrs. Howe is accompanied by a nephew and niece of Mr. Howe, and Mrs. Peto by a sister of Mr. Peto. Rev. G. L. Pearson and wife will probably return by the same train.

Rev. J. H. Gill, who has occupied the Methodist pulpit for the past four weeks, took his departure Wednesday for Benson. Mr. Gill made a very favorable impression while here, as he is a young man of rare ability and eloquence.

A letter received this week from "Our Mark" locates him in Washington. Communications addressed "Hon. M. A. Smith, M. C., Washington, D. C.," will reach him. He left Cynthia, Ky., on the 12th inst.

Burnside Post has an important meeting to-night, as nominations of officers for the ensuing year will be made. A full attendance is requested.

The Gazette announces that Mr. Frank C. Earle, the well-known assayer of this city, who is visiting his parents in Tempe has completely recovered from his late serious illness.

Charley Wainey, who formerly juggled glasses and decanters at the Oriental Saloon, it is asserted by the Silver City Sentinel, has left that city under a cloud.

Doc Holiday, a notorious character, and once a resident of Tombstone, died at Glenwood Springs, Colorado, November 7th.

Curtain poles from 2 to 12 ft. long at Baggs's.

Commodore Job M. Seamans, who has been summering in Alaska, is expected home next week.

Hicks & Walker are furnishing the Presbyterian church to-morrow evening at 7 o'clock. All are cordially invited.

Hicks & Walker are furnishing the trade with a superior article of soda and sarsaparilla. They are also importers of all kinds of mineral water.

BOILER EXPLOSION.

WHIPPLE BARRACKS, November 19.—Word was received here this morning of the explosion of the boiler of W. Z. Wilson & Co's saw mill 12 miles from here.

The Associated press reporter at once repaired to the scene and learned the following particulars: The pulley needed repairing and Mr. Wilson, one of the owners, called for assistance. The engine was stopped, and all the mill hands came to fix the pulley. J. Baker, the fireman, was ordered to oil the saw, and while doing this, the explosion occurred. A board struck him in the back, knocking him in the saw dust pit, where he was covered by the fallen debris, and a part of the burst boiler passing over him.

After the lumber had ceased falling he extricated himself and discovered two or three mingled bodies. He started at once for the city. The work of discovering and identification of the bodies commenced. The first discovered was John Baxter, the foreman, who was killed where standing, the entire top of his head blown away and could not be found. The body of W. Z. Wilson, one of the proprietors, was cut in two and both parts thrown fifty feet; his head can not be found and part of his backbone was found two hundred feet away on top of the hill. John Crowley, one of the employees, was found seventy-five feet from where he was standing, and could only be recognized by his clothing. A Stanbrook was found under the roof of the wall of the engine room. The bodies of Charles Collins and Bathone Taylor could not be found for several hours afterwards.

Collins was found on the hill thirty feet from where he stood and could only be recognized by the boots he wore. Taylor was found one hundred and fifty feet from the engine room. The boiler parted in the middle, one piece flying ninety feet north and the other going two hundred feet south. A large number of citizens visited the place to-day. The remains were taken to town. The Coroner's inquest will be held here to-night.

The "phantom party" last evening at Mining Exchange hall, was one of the largest attended and most enjoyable social events of the season. In common parlance, it was a sheet and pillow-case party, and the disguise in each case was most effectual. The affair was managed by the young society men, and the supper, which was contributed by the matrons, was elegant.

W. S. Davis, the popular hotel man of Wilcox, was divorced from Mrs. D. by the District Court last week, and now claims to be the happiest man in Arizona. Mrs. Davis has not been heard from on the subject.

Unnecessary Misery.

Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure, for the reason that no one likes to take the medicines usually prescribed.
